AMERICANIZATION

RICHARDSON D. WHITE REVIEWS PRACTICAL METHODS OF BRINGING IT ABOUT

At the meeting of the Doran Street Parent-Teacher Association, which was held Wednesday afternoon, the speaker was Richardson D. White, Superintendent of Schools, who talked on "Americanization." He brought out the necessity of becoming good, intelligent Americans ourselves and then of providing educational opportunities for the aliens in our country by the establishment of night schools in which they will be given not only the fundamentals of an education but be taught in American ideals.

His talk was general and did not have a local application, although he admitted later it is his impression that Glendale has a sufficient number of aliens to furnish some necessity for such schools. However, that can be determined when the registrations of minors which is now going on is finished. As the work is being done by teachers after school hours and at night, several weeks must pass before the canvass can be completed and the results tabulated.

While copies of the new school law are not yet in circulation, it is understood that some new provisions have been made for night classes in High Schools.

Mr. White pointed out that a bill is now before Congress carrying an appropriation of $12,000,000 to provide for Americanization work and the education of foreigners. It calls upon the states to make appropriations equal to the amounts asked from the national treasury. While this has been presented it has not yet been acted upon. Mr. White states that it is very similar in its provisions to the Vocational Education bill which has worked out very well. He considers it a fine measure which ought to be passed by Congress because only by Americanization can American institutions be safeguarded.

Refreshments were served and social greetings exchanged before the meeting opened. Mr. White's talk was followed by patriotic songs furnished by girls from Miss Land's room. The membership drive in this association has brought the enrollment up to 68.

DEATH OF PIONEER

ELIAS AYERS, 32 YEARS A RESIDENT OF GLENDALE, GOES TO HIS REWARD

Elias Ayers, husband of Alice M. Ayers, died Thursday afternoon at 1:30 o'clock November 6, 1919, at their home at 241 North Cedar St. He was one of the pioneers in this section and had resided here for 32 years. The grief of his widow will be shared by his sister, Mrs. Huldah M. Byram, who is also an old resident of Glendale, and his loss will be felt by a large circle of friends. Funeral services will be held Saturday afternoon at 2 o'clock in the parlors of the Pulliam & Kiefer Company on Broadway, with interment in Grand View Cemetery.

It has not been known to many of our citizens that Elias Ayers had been in feeble health for months past, hence the announcement of his death was a surprise to many. Heart failure was the immediate cause. Mr. Ayers was born in Peeble county, O., Sept. 11, 1840, and was a resident of that county till 1887, when he came to Glendale, Calif., following his marriage in 1886 to Miss Alice Miller, of Glendale, who survives him. He was a member of the U. B. Church of Lewisburg, O., and teacher of a large class of young men in that Sunday School. On coming to Glendale he united with the First Presbyterian Church of this city.

NASH—DUNCAN

Mr. and Mrs. Philip Walter Parker announce the marriage of their daughter, Miss Zetie Steele Duncan, to William Francis Nash, Jr., son of Mr. and Mrs. William Francis Nash. The ceremony took place Thursday morning, November 6th, at 11 o'clock, at the home of the groom's parents, 646 North Maryland avenue, Rev. George H. Cornell, rector of St. Mark's Episcopal Church, officiating. Alvin Willimtzig, on the violin, accompanied by Mrs. Helen Chute Dill at the piano, rendered beautiful and appropriate music. After the wedding breakfast was served Mr. and Mrs. Nash left on their wedding trip. They will reside in Santa Ana, where Mr. Nash is in business.

WEATHER FORECAST: Fair tonight and Saturday. No important change in temperature.

TRUSTEES' MEETING

VARIOUS COMMUNICATIONS AND REPORTS CONSIDERED AT REGULAR MEETING OF BOARD

The Board assembled at 8 p. m., November 6, 1919. All members present. Minutes of the regular meeting of October 30, 1919, were read and approved.

J. F. Jones appeared before the Board complaining as to the manner in which bond business is handled by the treasurer's office. The chairman of the board stated that the board has no jurisdiction.

A representative of the State Compensation Insurance Fund addressed the board presenting the claims of that body and expressing his opinion in regard to the desirability of all municipalities in the state taking advantage of the provisions of that fund for the insurance against damages incurred by injuries to employes.

Communications

A letter was read from Earl Shook, asking for information in regard to the matter of telephone rates. Referred to the city attorney for reply.

The city treasurer presented a communication reporting the receipt of $2,391.47 from the Southern California Gas Company, being 2 per cent of their gross earnings for the year, as required to be paid under the terms of their franchise.

Application for Permit to Sell Milk

An application for permit to sell milk was presented from J. H. Crane which being approved by the milk inspector, was, on motion of Trustee Shaw, granted.

Communication from Zone General Supply Depot of War Dept.

A communication addressed to the mayor of the city was read from the office of the Zone General Supply Depot of the War Department, San Francisco, giving a price list of packing house products and conditions of sale to municipalities of the government property under control of that department. Referred to the city manager.

Pasadena Tournament of Roses Association

A communication addressed to the mayor of the city was read from the Pasadena Tournament of Roses Association, extending to him an invitation to be present at a banquet to be given at the Hotel Maryland Monday evening, November 10, 1919. The communication stated that the object of the meeting was an effort to get in closer touch with neighboring communities with the thought of receiving suggestions relative to the parade and general scheme for New Year's Day. Owing to the fact that the chairman of the board has another engagement for that evening, the motion was adopted that the city manager attend in his stead.

Reports from Various City Officials

Reports were filed from the following city officials: City treasurer, health officer, city recorder and building inspector, all of which were ordered to be filed.

Transfer of Funds

Trustee Shaw presented the following resolution which was adopted on roll call, all voting aye, "That the sum of $1075.00 be transferred from the Insurance Reserve Fund to the General Budget Fund as a loan to be repaid as soon as possible."

Finance committee reported back demands approved, and on motion of Trustee Shaw, warrants were ordered to be issued in payment of the same.

City Manager

The city manager presented a report as to the cost of street lighting. The report stated that the city maintains 1255 street lights. These lights cost, for the month of October, 1919, $810.80. The average cost per kilowatt hour was a little over 2.7 cents, as compared with the cost of the City of Pasadena of 4½ cents per kilowatt hour. The amount appropriated for street lighting for the present fiscal year is $11,000.00.

The city manager presented a written communication in regard to the condition of the city's funds, calling attention to the fact that all salaries have been paid promptly for the months of July, August, September and October of the current fiscal year, whereas in previous years at this time in the year it has generally been customary, because of the scarcity of funds, to defer such payments for from one to three months, owing to the fact that money for taxes does not come in until the month of November. The communication called attention to the fact that under the present policy of a carefully prepared budget for each fiscal year, it has been possible to accumulate funds enough to carry the city over this period, and with the pursual of the same policy for a few years more the city will be on a strictly cash basis for the entire year, as to expenditures on account of General Budget. The communication concluded with the statement of funds on hand at the beginning of the present fiscal year, July 1, 1919, as follows:

General Budget Fund	$5,370.16
General Service Fund	2,923.28
General Reserve Fund	7,199.91
Compensation Ins. Fund	6,685.44

making a total of $22,178.79 accumulated during the past three years.

Welfare Bureau

In regard to the General Welfare Department, the city manager submitted a report stating that he had appointed, subject to the approval of the board, Mrs. R. A. Blackburn, Assistant Director of the Welfare Bureau at a compensation of $25.00 per month. On motion of Trustee Shaw, it was ordered that the appointment of Mrs. Blackburn be confirmed.

Armistice Day

City manager made a report on the observance of Armistice Day Tuesday, November 11, 1919, stating that he had met with the chairman of the patriotic committees of the Parent-Teachers' Associations for the purpose of making plans for said entertainment. This meeting had decided that there should be a patriotic meeting Tuesday evening next at the High School Gymnasium, and an invitation was extended to the Board of Trustees to be present, and Mayor F. L. Muhleman was requested to introduce the speakers of the evening. The committee requested that the board make a small appropriation to cover a part of the expenses incident to the meeting. On motion of Trustee Shaw, it was ordered that the sum of twenty-five dollars ($25.00) be appropriated from the Advertising and Promotion Account for the purposes indicated in the communication.

The city manager presented copies of three ordinances designed to provide a complete procedure for issuing permits and providing for inspection by the city in connection with street work performed by private contract. On motion of Trustee Shaw, the ordinances were referred to the committee of the whole.

Deed to Pacific Electric

The city manager made a statement to the board in regard to a deed to the Pacific Electric Railway Company by the City of Glendale, transferring to that company portions of lots 8 and 1 of block 15, Glendale Boulevard Tract, in connection with the work of the Flood Control in Verdugo Wash, and presented a deed which had been prepared by the city engineer. On motion of Trustee Shaw, the president and clerk were instructed to sign said deed, the same to be delivered when the railroad company presented for delivery a deed for channel purposes to the Flood Control authorities.

Request for Permission to Remove Trees on Colorado Street

The city engineer stated that Mr. Belcher, of 605 W. Colorado street desires permission to remove two eucalyptus trees and two pepper trees from the parkway in front of his property, and recommended that the same be granted. On motion of Trustee Shaw, the application was laid on the table.

Appointment of City Employes

The city manager presented the names of Mrs. R. A. Blackburn, as Assistant in the Welfare Bureau Department, and Miss Amelia Weisling, as Assessment and Record Clerk, re-

(Continued on Page 4)

RIFT IN THE STRIKE CLOUD

OFFICIAL WASHINGTON BELIEVES IT WILL END SATURDAY AND STRIKERS AND OPERATORS WILL GET TOGETHER

(Special Service to Glendale Evening News)

WASHINGTON, November 7.—President Samuel Gompers of the American Federation of Labor, accompanied by Secretary Morrison and Vice-president Woll called on Attorney General Palmer just before this morning's cabinet meeting. After seeing Palmer, Gompers said they had expressed their views to him on the coal strike injunction and on the "difficulties which the order has raised in the situation."

Palmer went to the White House immediately after the conference. As soon as the cabinet meeting ended this morning, Palmer hurried back to his office saying that Gompers was awaiting him there for another conference. Palmer declared:

"The injunction will be withdrawn when the strike order is recalled," and added that he would discuss the matter immediately with Gompers.

Official Washington, after the cabinet meeting felt that the strike would end tomorrow and that the operators and strikers would resume their negotiations.

Just before the cabinet meeting Attorney General Palmer talked briefly with President Wilson personally.

ECHOES OF U. S. WAR POLICIES

VON BERNSTORFF AND ZIMMERMAN TESTIFY BEFORE REICHSTAG IN REGARD TO THEM

(Special Service to Glendale Evening News)

BERLIN, November 7.—Count von Bernstorff, former German ambassador to the United States, testifying before the Reichstag war investigation today declared that President Wilson's peace notes were most displeasing to the British and that England disfavored the entire "keep out of the war" policy of the United States. He declared that President Wilson approved of the pro-peace articles of William Randolph Hearst.

Minister von Zimmerman declared that Ambassador Girard had seemed a very poorly informed diplomat.

PEACE TREATY RESERVATIONS

HITCHCOCK FORCES IN SENATE WILL VOTE AGAINST ANY WHICH NULLIFY LEAGUE OF NATIONS

(Special Service to Glendale Evening News)

WASHINGTON, Nov. 7.—Administration Leader Senator Hitchcock conferred with President Wilson personally this morning and after the conference declared that his forces in the Senate would vote against any peace treaty ratification resolution which embodied certain reservations in their present form. He did not reveal what those reservations are.

Senator Hitchcock said that the President would be entirely satisfied with any reservations that Hitchcock felt justified in accepting and which did not nullify any of the provisions of the League of Nations. He said the President had expressed pleasure at the defeat of the proposed amendments to the treaty.

Hitchcock predicted the defeat of Senator Lodge's ratification resolution.

VETERAN PASSES

JAMES BAILEY HICKMAN, PIONEER RESIDENT, DIES AT FAMILY HOME ON PARK AVE.

James Bailey Hickman, a veteran of the Civil War and old resident of this city who has been critically ill for many months, died peacefully at his home at 336 West Park avenue Thursday night at 11:45 o'clock. At his bedside were his three children, John J. Hickman, Mrs. Adelaide Imler and Miss Cora Hickman, who have been untiring in their devotion to him. He is also mourned by two grandchildren, Lieutenant Eugene Imler and Miss Marjorie A. Imler. Funeral services will be held at the Little Church of the Flowers in Forest Lawn Monday morning at 10 o'clock. They will be in charge of N. P. Banks Post and Chaplain C. R. Norton will officiate, the Pulliam & Kiefer Company having charge of general arrangements. This old soldier was born in Maryland June 30, 1832. He was in the Marine Service during the Civil War and has been a prominent and greatly beloved member of the local G. A. R. Post, where he will be sadly missed. For twenty-two years he has lived in this city where he and the members of his family have been prominent and greatly respected members of the community.

BROKEN BLOSSOMS

A huge crowd in two installments visited the Palace Grand Thursday night to see "Broken Blossoms," Griffith's big symbolic drama. In it he contrasts the demoniac conduct of "Battling Bill" in the slums of Christian London, with the white soul of a heathen "Chinee" from a land to which American and English missionaries are being sent. It is not a perfectly fair contrast, but it makes a good grand stand play to the galleries and incidentally a pretty but pathetic play with a lot of moralizing thrown in by way of screen text.

The audience had gathered expressly to see it however, many having stood in line for a long time and they thought they knew what they had paid their money for, and so, when a speaker advanced to the footlights and began to say things calculated to lead up to the water bonds, they showed restlessness. If it hadn't been so flowery a speech, so graciously complimentary with regard to their intelligence and civic pride and containing so little about the bonds they might have tolerated it. But when the four minutes allotted him expired a storm of applause broke out and the speaker was not permitted to make an audible finish. It was a good argument undoubtedly, but was lost on the audience because the speaker so long delayed in coming to the point.

CHURCH LUNCHEON

CONGREGATIONALIST AUXILIARY HONORS MRS. BEERS AND MISS LEARNED

The Women's Auxiliary of the First Congregational Church entertained at an all-day meeting Thursday in honor of Miss Learned, an old and beloved member, it being her eightieth birthday. The tables were decorated with yellow chrysanthemums. The affair was an entire surprise to Miss Learned until she was presented with a large birthday cake. She was also presented with a great many bouquets of chrysanthemums and roses. A toast was given by Mrs. Geo. Colson and responded to in a very lovely manner by Miss Learned.

The occasion was also in the nature of a farewell party to Mrs. Ralph Beers, who, with her family, is moving to Eagle Rock. Mrs. Beers has always taken an active part in the church affairs and her many friends are sorry to see her leave Glendale. She was presented with a huge bouquet of roses. Mrs. E. H. Willisford gave a toast to which Mrs. Beers replied very graciously.

COME FROM IOWA

Mr. and Mrs. John Gardner of Primghar, Iowa, arrived Thursday via the Salt Lake Railroad to locate in Southern California. They are the parents of Mr. and Mrs. Lillian Smits and will be her guests at the California Apartments until they decide where they wish to live. Mr. Gardner is a retired farmer and has disposed of all his interests in Iowa with the intention of spending his declining years in California.

Several teachers on the staff of the Intermediate School are leaving this afternoon for a week-end at Roberts Camp in the Sierra Madre Mountains.

PRACTICAL EFFORT

AMERICANIZATION WORK CARRIED ON BY D. A. R. CHAPTERS AT ALBION SCHOOL

Of exceptional interest was the meeting of Richard Gridley Chapter of the D. A. R., held at the home of the regent, Mrs. J. H. Braly, on North Brand boulevard, Thursday afternoon.

The speaker of the afternoon was Mrs. Llewellyn Banks of Hollywood, chairman of patriotic education for the chapters of Southern California. "Americanization" was her theme and she prefaced her talk with a review of the new book, "The Making of an American," by John Ravages, an emigrant from Rumania, who came to the United States years ago and became a very loyal American. She then referred to the Americanization work which was started several years ago by Los Angeles chapters of the D. A. R. at the Albion School on North Broadway. Night classes were established there for the benefit of the foreign population, chiefly Mexican and Italian, which were so successful and largely attended that they attracted the attention of the Board of Education which voluntarily furnished teachers although the work is still carried on under the auspices of the D. A. R. An afternoon school is conducted three days a week for the mothers where they are taught English, cooking and sewing. Nothing is given away. It has to be earned. For instance, the woman who learns to darn stockings nicely has a pair given to her. The idea is to hold the interest of pupils and make them realize the value of the instruction given. Occasionally there is a social afternoon when cake and tea or cake and ice-cream are served. The average attendance on the night school is about sixty. Los Angeles chapters and the Glendale chapter have united in the support of this work because the Board of Education,—while it furnishes the teachers, has no fund available for the materials necessary for the cooking and sewing classes. It requires several hundreds of dollars annually, but it is money well expended for the making of American citizenship. Mrs. Banks made a fine talk and great enthusiasm for the work was aroused. Miss Ida Myers is chairman of Americanization for the Glendale chapter.

The chapter also voted $10 for the Roosevelt Memorial Fund. Announcement was made of the big social affair to be given at Hotel Alexandria in the near future in which all the chapters will participate and at which there will be dancing, singing and cards followed by tea. It is expected to be the biggest D. A. R. function of the season.

More money was contributed for the mile of pennies which the chapter is accumulating for the support of the Maternity Home. It now has about $300. The mile represents $800. Following the program refreshments were served by the hostess.

EXTENSIVE TRIP

MRS. D. E. DIETRICH RETURNS FROM VISITS IN OHIO, WEST VIRGINIA AND TEXAS

Mrs. D. E. Dietrich of 441 Patterson street returned Sunday night from a two months' tour of the middle west in which she covered a considerable territory. Her first stop after leaving here was in Colorado where she visited a brother at Flagler. From there she went direct to Columbus, Ohio. The land of the buckeye is her native soil and she found many places to visit there. One of the first journeys was to Camp Chase to see a sister of her mother, eighty-two years old, who was delighted to welcome her. Next she visited a nephew at Limaville, a young physician. The next stop on her itinerary was Cleveland, her former home. She found all conditions there very flourishing and an astonishing rise in property values which had about doubled. Cincinnati was the place in which her married life began and she also visited there. One of the sights most interesting to her in that city was the recently-completed Home for the Aged for which a splendid building had been erected in which inmates are just beginning to be received. An invesment of $2500 for a life membership is required. One of Mrs. Dietrich's friends was the first to enroll.

Mr. Dietrich's relatives are at Mount Healthy, Ohio, and these she also visited and from there went to Pomeroy, Ohio, where she visited another sister of her mother, who is

Personals

Miss Jessie Braden, a government nurse from Denver, Colorado, is visiting her sister, Mrs. Sally Braden, of 204 Arden avenue. Miss Braden saw eighteen months' service in the war zone and has some very interesting experiences to relate.

Wesley Bullis was able to take a little walk to the neighbors Thursday. He says it is so good to be at home again that his strength has doubled since his return and he expects to make a very rapid recovery from this time on.

Mr. and Mrs. F. A. Baggs have just arrived in Glendale to visit their daughter and son-in-law, Mr. and Mrs. J. R. Bentley. They are from Lindsay, California, and expect to be here for the coming three months.

Quite a large delegation from Glendale will attend the Younger Boys' Y. M. C. A. Conference at La Verne, near Lordsburg, Saturday afternoon. The delegates will meet in front of the First National Bank at Brand and Broadway and will be accompanied by Guthrie Boyd.

The football game, which was to have been played this afternoon on the High School field, has been postponed as a mark of respect to Merle Eckles, the member of the team who died Wednesday afternoon. It was a league game with the Covina team.

Charles E. McPeek, the plumber, expected to visit his plumbing shop on West Broadway for the first time since his auto accident which has kept him confined to his home for several weeks. He is still lame in his right foot and is not strong enough to return to work yet, but he wants to see how things look there.

Mrs. T. S. Caldwell, of 335 West Broadway, was hostess at a pretty luncheon given Thursday in honor of her mother, Mrs. Wilson, who is to leave for Riverside where she will spend the winter. Other guests were Mrs. H. O. Hill of Los Angeles, Mrs. E. N. Bates and Mrs. W. D. McRae of this city, who is leaving Saturday for a tour of the east.

Mrs. H. V. Brown of Central avenue was hostess at a pretty luncheon featured by autumn leaves and chrysanthemum decorations for a group of friends from Los Angeles. Covers were laid for Mesdames Braden, Frank Asbury, Fannie Hall, E. E. Frost, Horace Law and the hostess. A social afternoon followed the luncheon.

COLORADO P.-T. A.

The Colorado P.-T. A. held its regular meeting Thursday, Nov. 6, 1919, at 3:15. The first half hour was spent in a social way—tea and wafers being served by Mrs. Perry, assisted by several school girls. On account of the illness of the president, the vice-president, Mrs. Frank Chambers, had charge of the meeting. The educational chairman was very proud to announce another reading circle started, which meets with Mrs. Hartley B. Shaw every Wednesday. Chairman of philanthropy asked that the school start its drive for second-hand clothing, especially underwear for the needy this winter. Mrs. Robison showed a picture of President Wilson that was purchased to use in the picture vote, Mrs. Robison's room being the winner of the coveted prize this month. Miss Waite read an announcement of the reception for the service men and urged all to be present and give them a hearty welcome.

The course of lectures and entertainments given by the Teachers' Club will be looked forward to with great pleasure. After the business session Dr. Maud Wilde gave an interesting and instructive talk on Child Welfare—dwelling especially on the "Psychology of Fear."

PROPERTY VALUES IN THE EAST

Mrs. A. J. Chappius, who has just returned from St. Louis, found business more active there than here. It is just booming in all industrial and manufacturing lines and so is the real estate market. Dealers have standing lists of prospective buyers and no property to sell them. The buying is all the better class of property, too, she says. The cheap property is going begging. This is because of the big money the working classes have pulled down as they want the best when they buy.

Mrs. Chappius says that while the east is busy and she saw very beautiful homes "give me the California climate every time." She adds that while many in St. Louis talk of coming to California eventually, they are planning to make hay while the sun of prosperity shines and wait until they have made enough to retire before making a change. She made a brief stop in Salt Lake where she visited the Tabernacle, also stopped for a day or two in Denver and visited the capitol and other sights. The traffic was very heavy on all the trains boarded and when coming home it was chiefly composed of Californians who were returning from the east.

Mrs. Chappius also visited a sister in San Francisco and took in the sights of interest there and in other bay cities, visiting Palo Alto and towns in the Santa Clara valley.

MASONIC NOTICE

On account of the Armistice Day celebration Unity Lodge, No. 368, F. and A. M., will not convene next Tuesday evening, but will confer the First and Second Degrees Saturday evening, Nov. 15th, at 7 p. m. A. W. Tower, Sec.; R. W. Masters, W. M.

"I came here on account of your Splendid Water"

Said a woman the other day. Hundreds of others have said the same and are still saying it.

Let us have a distributing system adequate for the needs of our city. Let us not break faith with these people.

Come to the Mass Meeting Monday Evening, November 10, at the High School

in the interest of the Water Bond Election. COL. TOM THORNTON will be the principal speaker.

ELECTION NOV. 12, 1919

EXTENSIVE TRIP

(Continued from Page One)

seventy-seven years old and whose husband is still living. Mrs. Dietrich was named for this aunt and the visit was of special interest to her hosts as well as herself. Her own sister met her there and went with her by auto to Reedsville where two sisters older than Mrs. Dietrich live. After spending two weeks with them she journeyed to Beckley, W. Va., to see a brother who is the pastor of the Methodist Church North there. Everywhere she went she found business booming and much building in progress, but this was especially true of Beckley. From there she came back through Charleston, W. Va., to Columbus on her way home. On the return trip she stopped at Dallas, Tex., to visit her daughter. Oil interests there have given Dallas a boom and all lines of business are very active there, she says.

One of the things which greatly impressed this traveler was the fact that all the trains, in whatever part of the country she visited, were crowded. Even in the Virginia Mountains the trains were full, showing movement of the populace. She found general interest in California and many who declared they were coming to this state eventually. Others announced they were coming soon.

Advertise in the Evening News.

Pictures for Gifts

Much as we like to remember our friends with gifts at the holiday season or on other occasions, what to give them is often a troublesome problem.

A beautiful picture is an appropriate gift for almost any one and a very acceptable one too. We know you can find a picture among our splendid collection of Sand Dune paintings, Parrish pictures and others that will appeal to you as the very gift you are looking for.

If it is a question of price, we have beautiful framed pictures in a wide range of prices, some of them very inexpensive.

HOME-MADE

MINCE MEAT

Many housewives take considerable pride in making their own Mince Meat. We submit the following tested recipe and you can buy all the listed ingredients at any Chaffee store. Let our service help you.

1½ pounds of choice young beef chopped fine; ½ pound suet chopped very fine; 3 pounds of juicy apples cut into small pieces; 1 pound of raisins and 1 pound of currants; 2 ounces of candied citron cut into thin slices; the juice and grated rind of one orange and one lemon; ½ teaspoonful of cloves; 1 tablespoonful of alspice; 1 tablespoonful of cinnamon; 1 grated nutmeg; ½ tablespoonful of salt; 1 cupful of molasses; 1 pound of sugar; 1½ pints of cider.

Mix all together and boil slowly for one hour. Put into fruit jars and seal while hot. This recipe will make five quarts and will keep indefinitely if sealed in airtight containers. Total cost, $1.98.

TRUSTEES' MEETING

(Continued from Page 1)

questing that the same be approved by the board as employes of the city. On motion of Trustee Shaw, the appointments were confirmed.

The city manager presented a list of supplies for Municipal District No. 2 as requested at a previous meeting of the Board.

Resolution No. 1069 Rescinded

Trustee Henry offered the following resolution, and moved its adoption, which was seconded by Trustee Shaw, and adopted on roll call "That Resolution No. 1069 passed February 27, 1919, is hereby rescinded and the office of engineer for the public service department is hereby abolished."

Trustee Shaw introduced an ordinance dedicating certain property to street purposes, which was read and ordered to be laid over until the next regular meeting.

On motion of Trustee Woodberry, the city attorney was instructed to prepare an ordinance amending the present license ordinance as the same refers to automobiles engaged in passenger service.

On motion of Trustee Shaw, the action taken by the board at its last regular meeting in regard to a license for H. A. Wilson, engaged in the automobile passenger business, be rescinded.
